Mr. H. Gates Lloyd
Deputy Director
Central Intelligence Agency
Washington 25, D. C.

Dear Mr. Lloyd:

Please refer to your letter of August 10, requesting that GSA provide for direct financing for Fiscal Year 1958 for three specified properties. 25X1A6a

We propose to revise the data on your space requirements for 1958 furnished in response to GSA Circular No. 108 to include the three locations in the District of Columbia for direct appropriation to the General Services Administration. The [redacted] space should be continued in your appropriation budget for reimbursement to GSA. 25X1A6a

With respect to the [redacted] project, although approval as a purchase contract acquisition has been given by the Public Works Committees of Congress, the Bureau of the Budget has not given approval. No action can be taken or programmed until the project has been fully approved.

Sincerely yours,

(Signed) Fred S. Peerman

Acting Commissioner of Public Buildings
